

ALMA D'ARTE CHARTER HIGH SCHOOL  
SCHOOL COMMUNITY POLICY

Policy No. SC0014  
Adopted: 06/15/2020  
Amended:  
Updated:

**SUBJECT: COMMUNITY USE OF SCHOOL FACILITIES**

**PUPRPOSE:** It is the policy of the Governance Council to make the school's facilities available to school-related groups, non-profit and charitable organizations, civic clubs and public agencies. Use of school facilities is encouraged to maximize the community's use of public facilities.

**POSITION:**

- (A) Alma d'arte shall set forth rules and regulations for proper usage, protection against loss and damage, and the recovery of additional operating costs due to extended and after-school use of school facilities. Organizations requesting the use of public school facilities must fill out the appropriate building use form and must follow rules and regulations set forth by Alma d'arte for the use of the school's facilities.
- (B) The space provided for an organization's use is made available when it is not needed by Alma d'arte for its instructional needs or its educational programs. The first priority for use of indoor and outdoor school space is given to the school itself.
- (C) The CAO/Principal, or his/her designee, is authorized to approve or deny and to set all conditions for community use of all school district buildings and grounds under the directions contained in this policy.
